BUILT FROM BRICKS!

**WARNING! CHOKING HAZARD!**

Small parts. Not for children under 3 years.

**We provide you with a special brick self-assembly model.**

In **BUILT FROM BRICKS**, we handled the entire design process, sourcing the necessary materials from Europe and America, creating packaging and assembly instructions for the model.

It took many hours of conceptual, verification, and control work to produce a special collection that will be in line with your ultimate goal.

Although there is a chance of inadvertent error due to the manual sorting and packing of the components, we have taken all reasonable measures to guarantee that the offered set is complete and offers entertaining and rewarding building process!

Please contact **BUILT FROM BRICKS** if you have any questions or recommendations about this kit.
